Installation Instructions ■

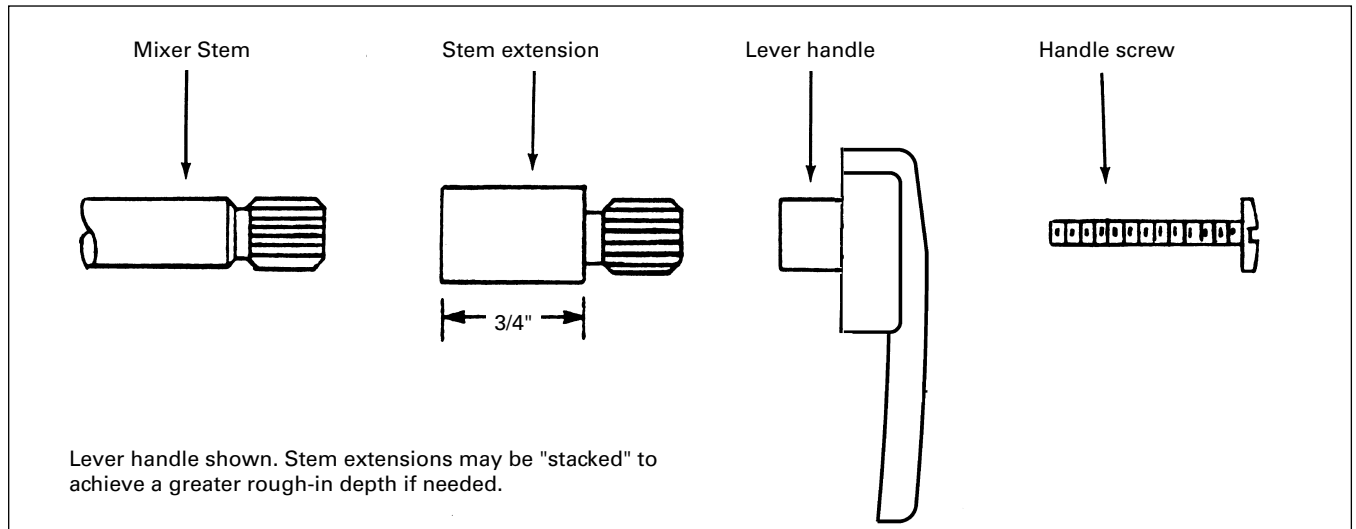

STEM EXTENSION KIT #410-233 used on the following HydroGuards...Series 2000, Series P410 Models 1, 2, 3, and 5, Series e420 Model 7-10, Series e700, Series F727 and Series PB410

The kit includes a stem extension and long screws to permit attachment of the stem extension. The long flat head screws are also provided to attach the dial to the mixer bonnet. One kit adds 3/4" to the stem length.

The following table indicates where screws are used:

Screws in Kit #410-233				
Quantity	Head	Length	Material	Use to Attach...
2	flat	2-3/4	steel	dials to mixer bonnet for e420, 2000 and P410
1	oval	1-1/2	chrome plated brass	lever handle for e420, 2000 and P410
1	truss	1-1/4	steel	lucite handle
2	oval	4	chrome plated brass	dials to mixer bonnet for e700, F727 and PB410
1	oval	7/8	chrome plated brass	lever handle for e420T/S, e700, F727 and PB410
1	oval	2	chrome plated brass	stacking stem extensions

All screws have 8-32 threads
