Ball valves built for PEX piping systems

The possibilities are endless with our latest LFFBV-PEX ball valve. The 2-Piece, Full Port, Lead Free* Brass Ball Valve is available with or without a drain port. These valves are tailored for simplified installation in PEX piping systems, featuring Lead Free* brass PEX end tailpieces for easy crimping into your PEX system.

Features Include:

- 2-piece, full port design
- Forged Lead Free* brass body
- PEX end designed to ASTM F-1807 or ASTM F-1960
- Valve rated to 400 WOG
- Crimp connection rated to 160psi at 73°F (23°C)

*The wetted surface of this product contacted by consumable water contains less than 0.25% of lead by weight.
