

Never Step onto Cold Floors Again

Hydronic Radiant Floor Heating at Your Fingertips

W561 Wi-Fi Thermostat

The Thermostat that Learns Your Home

- ✓ Automatically learns to heat up room by a scheduled time
- ✓ Away mode provides energy savings when the space is unoccupied
- ✓ Connects to your Wi-Fi — allowing for control anytime, anywhere

Energy Savings

Customizable Schedule

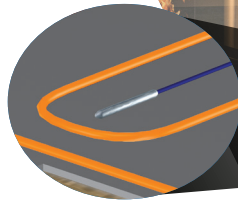

Enhance Comfort

No Socks Required

Achieving Comfort Made Easy

The Watts W561 hydronic floor warming thermostat provides precise temperature control, even when you're not home. When you connect the W561 to your Wi-Fi, you can use the Watts® Home App to control the temperature of your home no matter where you are.

Included floor sensors can be installed to enhance comfort and protect floor coverings.
